

Spare Parts Heavy Duty Equipments

WBF Spare Parts LTD is a dynamic enterprise specialized in supplying a wide range of replacement parts for earthmoving machines.

WBF has the purpose of providing an excellent service to meet the customer needs with the utmost professionalism and reliability.

WBF is modern, facing the future with a great capability in offering a line of products of top quality parts to assure good results with attractive and competitive prices.

WBF has the possibility to supply a big variety of items allowing to proceed with sea and air freight consignments anywhere in the world in very fast times.

WBF is very pleased to start a profitable business cooperation with your estimated company offering our best support.

WBF is available for any further information you may need and thank you for the precious attention given.

WBF products are:

Undercarriage parts, spherical bearings, spiders, rubber tracks, pumps, rippers and tips, swing bearings, gauges, head and block cylinders, all adaptable to Caterpillar® and Komatsu® machines.
